PART II

Ordinary resolutions

1. Ordinary resolution number 1

Re-appointment of external auditors and designated audit partner

Ernst & Young Inc. are the auditors of the Company, having been appointed as such on 27 July 2015. Tina Rookledge was designated as the audit partner on 5 August 2020 and will be entering her fifth year as audit partner.

The Audit, Risk and Compliance Committee has considered the continued independence of the auditors and concluded that there is no reason to believe that the auditors acted with impaired independence at any time, and that the audit quality for the 2024 financial year was satisfactory.

The Audit, Risk and Compliance Committee has recommended the re-appointment of Ernst & Young Inc. as the Company's external auditors, with Tina Rookledge as the designated audit partner.

Ordinary resolution number 1

"RESOLVED that Ernst & Young Inc. are hereby re-appointed as the external auditors of the Company (with Tina Rookledge as the designated audit partner)."

2. Ordinary resolutions numbered 2.1 to 2.4

Appointment of directors

Curricula vitae of directors to be elected are presented from page 10.

David Robins, David Friedland, Audrey Mothupi and Annamarie van der Merwe retire in accordance with the Company's MOI and Board Corporate Governance Charter. As confirmed in the 2024 Annual Financial Statements, David Robins will retire after 22 years on the Board. Being eligible, David Friedland, Audrey Mothupi and Annamarie van der Merwe offer themselves for re-election as independent non-executive directors of the Company. Sean Summers was appointed as Chief Executive Officer and a director of the Company on 30 September 2023 by way of a Board resolution and his appointment must be approved by shareholders. Being eligible, Sean Summers offers himself for election as an executive director of the Company.

Non-executive directors are presented to shareholders for election for a three-year term of office. However, independent non-executive directors who have served for more than nine years are presented to shareholders for election for an annual term of office. Institutional knowledge is imperative to facilitate appropriate guidance at Board level and the longer serving directors strengthen the Board in its oversight responsibilities. The Board will initiate a process for long-serving independent non-executive directors to rotate and retire in the ordinary course of Board appointments over the next 12-18 months.

The Nominations and Corporate Governance Committee considered the independence of all non-executive directors categorised as independent. After consideration of several relevant factors, the Committee concluded that the classification of Haroon Borat, Mariam Cassim, James Formby, David Friedland, Aboubakar Jakoet, Audrey Mothupi and Annamarie van der Merwe as independent remains appropriate. As representatives of the controlling shareholder, Gareth Ackerman, Suzanne Ackerman and Jonathan Ackerman are not considered to be independent.

The results of a Board evaluation survey performed by the Nominations and Corporate Governance Committee indicate satisfaction that the Board and each Board committee function effectively and that there is an appropriate mix of knowledge, skill, experience and diversity with sufficient capacity to execute duties effectively.

Based on the results of the evaluation of the composition of the Board, and the past performance and contribution of the directors that retire by rotation and the experience that they bring to the Board, together with their insights into various aspects of the business, the Board recommends the election of David Friedland and Audrey Mothupi for one-year terms of office as independent non-executive directors, Annamarie van der Merwe for a three-year term of office as an independent non-executive director and Sean Summers as an executive director.

Shareholders are requested to consider and, if deemed fit, elect Sean Summers, David Friedland, Audrey Mothupi and Annamarie van der Merwe by way of passing the separate ordinary resolutions set out below:

Ordinary resolution number 2.1

Election of Sean Summers as an executive director

"RESOLVED that Sean Summers be and is hereby elected as an executive director of the Company."

Ordinary resolution number 2.2

Re-election of David Friedland as an independent non-executive director

Ordinary resolution number 2.3

Re-election of Audrey Mothupi as an independent non-executive director

"RESOLVED that Audrey Mothupi be and is hereby re-elected as an independent non-executive director of the Company for a one-year term."

Ordinary resolution number 2.4

Re-election of Annamarie van der Merwe as an independent non-executive director

"RESOLVED that Annamarie van der Merwe be and is hereby re-elected as an independent non-executive director of the Company for a three-year term."

3. Ordinary resolutions numbered 3.1 to 3.6

Appointment of Audit, Risk and Compliance Committee members for the 2025 annual financial period

Shareholders are requested to consider and, if deemed fit, elect Aboubakar Jakoet, Haroon Borhat, Mariam Cassim, James Formby, David Friedland and Audrey Mothupi as members of the Audit, Risk and Compliance Committee by way of passing the separate ordinary resolutions set out below. If appointed, Aboubakar Jakoet will act as Chair of this Committee. As described above, the Board will initiate a process for its long-serving independent non-executive directors to rotate and retire in the ordinary course of Board appointments over the next 12 to 18 months.

Ordinary resolution number 3.1

PART III

Advisory Votes

4. **Advisory votes 1 and 2**

Remuneration policy and implementation for the 2024 annual financial period

The directors table the remuneration report for the 2024 annual financial period. The remuneration policy and implementation reports are set out in the remuneration report, which can be found on pages 102 to 117 in the Integrated Annual Report available on the website at www.picknpayinvestor.co.za.

Advisory vote number 1

Endorsement of the remuneration policy

"RESOLVED that, by way of a non-binding advisory vote, the remuneration policy of the Company, as outlined in the remuneration report, is endorsed."

This is a non-binding advisory vote to enable shareholders to express their views on the remuneration policy adopted by the Company. In terms of the JSE Listings Requirements and King IV™, if 25% or more of the voting rights exercised are cast against this resolution, the Board will invite dissenting shareholders to engage with the Remuneration Committee on their concerns.

Advisory vote number 2

Endorsement of the implementation of the remuneration policy

"RESOLVED that, by way of a non-binding advisory vote, the remuneration implementation report of the Company, as outlined in the remuneration report, is endorsed."

This is a non-binding advisory vote to enable shareholders to express their views on the Company's remuneration implementation report. In terms of the JSE Listings Requirements and King IV™, if 25% or more of the voting rights exercised are cast against this resolution, the Board will invite dissenting shareholders to engage with the Remuneration Committee on their concerns.

PART IV

Special resolutions

5. Special resolution number 1

Directors' fees for the 2025 and 2026 annual financial periods

Shareholders resolved by special resolution at the 2023 AGM to increase directors' fees by CPI for the 2025 annual financial period. In line with this resolution, the Board proposes that all directors' fees be increased by 5% (five percent) for the 2025 annual financial period, with the exception of the fee paid to the lead independent director (contemplated separately below) and the Chair of the Board, who has waived an increase in FY25.

It is separately proposed that the annual all-inclusive fee paid to lead independent director, James Formby, be increased by 25% in recognition of his guidance and support to the Board and all its committees, and specifically his invaluable role on the Finance and Investment Committee.

"RESOLVED, as a special resolution, that the directors' fees, to be paid to the directors in their capacity as directors only, for the 2025 annual financial period, be as follows:

	FY25 proposed R	FY24 previously R
Chair (including participation in all committees)	4 893 300	4 893 300
Lead independent director (including participation in all committees) ¹	1 687 500	1 350 000
Non-executive director	510 300	486 000
Chair of the Audit, Risk and Compliance Committee	441 000	420 000
Chair of the Remuneration Committee	234 150	223 000
Chair of the Social, Ethics and Transformation Committee	234 150	223 000
Chair of the Nominations and Corporate Governance Committee ²	234 150	n/a
Member of the Audit, Risk and Compliance Committee	210 000	200 000
Member of the Remuneration Committee	110 600	105 300
Member of the Social, Ethics and Transformation Committee	110 600	105 300
Member of the Nominations and Corporate Governance Committee	105 000	100 000
Member of the Finance and Investment Committee ³	150 000	–
Member of the Independent Board Committee ⁴	158 550	151 000

¹ The 25% increase reflects the significant role the LID plays on the Board and all committees, particularly his critical role on the Finance and Investment Committee.

² Previously the Committee was chaired by Gareth Ackerman who did not receive an additional fee for this role. Going forward, the Committee will be chaired by independent non-executive director Annamarie van der Merwe who will receive a committee Chair fee aligned with the other Board committees.

³ Previously named the Treasury Committee – an advisory sub-committee to the Audit, Risk and Compliance Committee – now constituted as a key standing committee and renamed as the Finance and Investment Committee. The Committee is chaired by the lead independent director who does not receive an additional fee for chairing this committee.

⁴ Previously named the Corporate Finance Committee – the committee comprises only independent non-executive directors and is chaired by the lead independent director who does not receive an additional fee for chairing this committee. This Committee is not a key standing committee and is convened only for major regulated transactions or investment decisions. In the event that this committee is convened during the financial period, fees paid shall not exceed the annual fees proposed in this special resolution number 1. No fees are paid if the Committee is not convened.

It is further resolved that the directors' fees be increased by CPI for the 2026 annual financial period. Where applicable, directors' fees are exclusive of VAT."

Reason for and effect of special resolution number 1

The reason for special resolution number 1 is to obtain shareholder approval for the remuneration of each of the non-executive directors of the Company in accordance with section 66(9) of the Companies Act. The passing of this special resolution will have the effect of approving the remuneration of each of the directors of the Company in accordance with section 66(9) of the Companies Act.

This authority will be in place for a period of two years from the date of adoption of this special resolution number 1 or until superseded by another special resolution, whichever period is shorter.

6. Special resolution number 2

Additional director fees to be paid in the 2025 financial period

Due to the challenges faced by the Group in FY24, three Board members provided additional support and guidance in a number of critical areas, including liquidity management, the Group's debt restructure and the formulation of the two-step Recapitalisation Plan. The support provided was in addition to their normal Board commitments and required attendance at a significant number of additional ad hoc informal meetings.

A once-off fee is proposed for these directors, in an amount equal to the annual fee of a member of the Audit, Risk and Compliance committee, in order to adequately recognise the additional work undertaken and the valuable support provided.

"RESOLVED, as a special resolution, that additional once-off directors' fees be paid to the following directors in the 2025 annual financial period:

James Formby	Lead Independent Non-Executive Director	R210 000
David Friedland	Independent Non-Executive Director	R210 000
Aboubakar Jakoet	Independent Non-Executive Director	R210 000

Reason for and effect of special resolution number 2

The reason for special resolution number 2 is to obtain shareholder approval to pay additional once-off fees to three independent non-executive directors for additional work undertaken for the Company. The passing of this special resolution will have the effect of approving the additional once-off remuneration proposed in accordance with section 66(9) of the Companies Act.

This authority will be in place for a period of one year from the date of adoption of this special resolution number 2.

7. Special resolution number 3

Provision of financial assistance to related or inter-related parties

The Board shall not adopt any resolution to authorise financial assistance as contemplated in special resolution number 3 unless it:

- is satisfied that immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as referred to in section 45(3)(b)(i) of the Companies Act; and
- is satisfied that the terms under which such financial assistance is proposed to be given are fair and reasonable to the Company as contemplated in section 45(3)(b)(ii) of the Companies Act; and
- has ensured that, to the extent which may be applicable, any conditions or restrictions in respect of the granting of financial assistance set out in the MOI have been satisfied as contemplated in section 45(4) of the Companies Act.

"RESOLVED, as a special resolution, that the Board of directors be and is hereby authorised in terms of and subject to the provisions of section 45 of the Companies Act to cause the Company to provide any direct or indirect financial assistance to any person that is or that becomes related or inter-related to the Company (as defined in the Companies Act) by way of loan, guarantee, the provision of security or otherwise for any purpose or in connection with any matter, such authority -

- to endure for a period of not more than two years or until superseded by another special resolution (whichever period is shorter);
- to be for such amounts and on such terms and conditions as the Board may determine; and
- not to include the provision of financial assistance to any prescribed officer or director or any trust established for their benefit."

Reason for and effect of special resolution number 3

The reason for and effect of special resolution number 3 is to grant the directors of the Company the authority to cause the Company to provide financial assistance to persons that are or become related or inter-related to the Company other than employees. The financial assistance will be provided as part of the day-to-day operations of the Company in the normal course of its business and in accordance with its MOI and the provisions of the Companies Act.

8. Special resolution number 4

General approval to repurchase Company shares

"RESOLVED, as a special resolution, that the Company hereby approves, as a general approval, the acquisition by the Company or any of its subsidiaries from time to time of the issued shares of the Company upon such terms and conditions and in such amounts as the directors of the Company may from time to time determine, but subject to the MOI, the provisions of the Companies Act, and the JSE Listings Requirements as presently constituted and which may be amended from time to time, and provided that acquisitions by the Company and its subsidiaries of shares in the capital of the Company may not, in the aggregate, exceed in any one financial year 5% (five percent) of the Company's issued share capital of the class of repurchased shares from the date of the grant of this general approval."

Additional requirements imposed by the JSE Listings Requirements

It is recorded that the Company or its subsidiaries may only make a general acquisition of shares if the following JSE Listings Requirements are met:

- Any such acquisition of shares shall be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company or its subsidiaries and the counterparty or in any other manner approved by the JSE;
- The general approval shall only be valid until the Company's next AGM, or for 15 (fifteen) months from the date of passing of this special resolution, whichever period is shorter;
- An announcement will be made as soon as the Company and/or its subsidiaries has/have acquired shares in terms of this authority constituting, on a cumulative basis, 3% (three per cent) of the number of shares of the class of shares acquired in issue at the time of granting of this general approval and for each 3% (three per cent) in aggregate of the initial number of that class of shares acquired thereafter, which announcement shall contain full details of such acquisitions as required by paragraph 11.27 of the JSE Listings Requirements;
- In determining the price at which shares are acquired by the Company or its subsidiaries in terms of this general approval, the maximum price at which such shares may be acquired may not be greater than 10% (ten per cent) above the weighted average of the market value at which such shares are traded on the JSE, as determined over the 5 (five) business days immediately preceding the date of the acquisition of such shares by the Company or its subsidiaries;
- At any point in time, a company may only appoint one agent to effect any repurchase(s) on the company's behalf;
- A resolution by the Board of directors of the Company that they authorised the repurchase, that the Company passed the solvency and liquidity test, and that since the test was done there have been no material changes to the financial position of the Group; and
- The Company and/or its subsidiaries may not repurchase any shares in terms of this authority during a prohibited period, as defined in the JSE Listings Requirements, unless there is in place a repurchase programme where dates and quantities of shares to be traded during the prohibited period are fixed and full details of the programme have been submitted to the JSE prior to the commencement of the prohibited period.

Statement by the Board of directors of the Company

Pursuant to the JSE Listings Requirements, the Board of directors of the Company hereby states that:

- the intention of the directors of the Company is to utilise the general approval to repurchase shares in the capital of the Company if at some future date the cash resources of the Company are in excess of its requirements or there are other good grounds for doing so. In this regard, the directors will take account of, inter alia, an appropriate capitalisation structure for the Company, the long-term cash needs of the Company and the interests of the Company;
- in determining the method by which the Company intends to repurchase its securities, the maximum number of securities to be repurchased and the date on which such repurchase will take place, the directors of the Company will only make repurchases if, at the time of the repurchase, they are of the opinion that:
 - › the Group will, after the repurchase, be able to pay its debts as they become due in the ordinary course of business for the 12 (twelve) month period following the date of the repurchase;
 - › the consolidated assets of the Group, fairly valued and recognised and measured in accordance with the accounting policies used in the latest audited financial statements, will, after the repurchase, be in excess of the consolidated liabilities of the Group for the 12 (twelve) month period following the date of the repurchase;
 - › the issued share capital and reserves of the Group will, after the repurchase, be adequate for the ordinary business purposes of the Group for the 12 (twelve) month period following the date of the repurchase; and
 - › the working capital available to the Group will, after the repurchase, be adequate for the ordinary business purposes of the Group for the 12 (twelve) month period following the date of the repurchase;
- the repurchase shall only be effected if the Board of directors has, at the time of the repurchase, passed a resolution authorising the repurchase in terms of sections 48 and 46 of the Companies Act and it reasonably appears that the Group have satisfied the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of the Group.

Reason for and effect of special resolution number 4

The reason for special resolution number 4 is to grant the Company a general authority in terms of the JSE Listings Requirements for the acquisition by the Company or any of its subsidiaries of shares issued by the Company, which authority shall be valid until the earlier of the next AGM of the Company or the variation or revocation of such general authority by special resolution by any subsequent general meeting of the Company, provided that the general authority shall only be valid until the Company's next AGM, or for 15 (fifteen) months from the date of passing of this special resolution, whichever period is shorter. The passing of this special resolution will have the effect of authorising the Company or any of its subsidiaries to acquire shares issued by the Company.

The Board may exercise its powers under this resolution to buy back shares from employees who are exercising their share options or electing to sell their shares that have vested under the Group's restricted share plan (RSP), and to cover share scheme obligations, including the RSP.

Save as aforesaid, the Board has no specific intention, at present, for the Company to repurchase any of its shares, but considers that such a general authority should be put in place should an opportunity present itself to do so during the year, which the Board deems to be in the best interests of the Company and its shareholders, taking prevailing market conditions and other factors into account.

9. Proposed reduction in share capital

In the circular distributed to shareholders on 27 May 2024 relating to the extraordinary general meeting held on 26 June 2024 (**EGM Circular**), the Company undertook to propose a shareholder resolution at the AGM – to authorise the reduction of the number of authorised Ordinary Shares and B Shares of the Company such that, following such reduction, the unissued Ordinary Shares and B Shares would constitute no more than 10% of the total number of authorised Ordinary Shares and B Shares, respectively, immediately after the date of completion of the Rights Offer (as defined in the Corporate Governance Report 2024).

However, due to the fact that this notice of AGM is required to be distributed to shareholders prior to the Rights Offer completing, it is not practically possible to include such resolution in this notice of AGM.

Accordingly, the Company intends proposing the resolution to reduce the number of authorised Ordinary Shares and B Shares at a further extraordinary general meeting that will be held for the purposes of obtaining certain approvals required in connection with the Boxer IPO (as defined in the Corporate Governance Report 2024), which meeting is intended to be convened either on the same date as the AGM, or shortly thereafter. As noted in the EGM Circular, AIH, as the controlling shareholder, has committed to vote in favour of such resolution.

All shareholders (including both Ordinary and B shareholders) are entitled to participate in and vote at the AGM and are encouraged to do so.

The Company is pleased to offer shareholders or their duly appointed proxies an online voting facility during the AGM via the Lumi platform at www.smartagm.co.za.

If you hold certificated shares (i.e. have not dematerialised your shares in the Company) or are registered as an "own name dematerialised shareholder" (i.e. have specifically instructed your Central Securities Depository Participant (CSDP) to hold your shares in your own name in the Company sub-register) then:

- you may participate in and vote at the AGM; alternatively
- you may appoint an individual as a proxy (who need not be a shareholder of the Company) to participate in and vote in your place at the AGM by completing the attached form of proxy. It is recommended for administrative reasons that the proxy form be returned to the transfer secretaries, Computershare Investor Services Proprietary Limited (Computershare), the details of which are set out in note 5 of the form of proxy (attached), by no later than 08h30 on Friday, 23 August 2024. Please note that your proxy may delegate his/her authority to act on your behalf to another person, subject to the restrictions set out in the attached form of proxy. Should the proxy form not be received by the time stipulated above, the form of proxy may still be delivered to the transfer secretaries, Computershare, via email at proxy@computershare.co.za before the proxy exercises any shareholder rights at the AGM.

Unless revoked before then, a signed proxy form shall remain valid at any adjournment or postponement of the AGM and the proxy so appointed shall be entitled to vote, as indicated on the proxy form, on any resolution (including any resolution which is amended or modified) at such AGM or any adjournment or postponement thereof.

Please note that:

- any shareholder of the Company that is a company may authorise a person to act as proxy at the AGM. Please also note that section 63(1) of the Companies Act requires that persons wishing to participate in the AGM (including a company's representative) must provide reasonably satisfactory identification before they may participate; and
- if you are the owner of dematerialised shares (i.e. have replaced the paper share certificates representing the shares with electronic records of ownership under the JSE's electronic settlement system, Strate) held through a CSDP or broker (or their nominee) and are not registered as an "own name dematerialised shareholder", then you are not a registered shareholder, but your CSDP or broker (or their nominee) would be. You must provide your CSDP or broker with your voting instructions in the manner and at the time stipulated in your custody agreement. Alternatively, if you wish to participate in the AGM in person, you will need to request your CSDP or broker to provide you with the necessary authority in terms of your custody agreement.

CSDPs, brokers or their nominees recorded in the Company's sub-register as holders of dematerialised shares held on behalf of an investor/beneficial owner in terms of Strate should, when authorised in terms of their mandate or instructed to do so by the owner on behalf of whom they hold dematerialised shares, vote by either appointing a duly authorised representative to participate in and vote at the AGM or by completing the attached form of proxy in accordance with the instructions thereon. For administrative purposes, it is recommended that the proxy form be returned to the transfer secretaries, Computershare, the details of which are set out below under the heading "Electronic Participation" by no later than 08h30 on Friday, 23 August 2024.

In order to allow the voting preferences of all shareholders to be taken into account, voting will be conducted via poll and shareholders will have one vote in respect of each share held.
